INDEPENDENT CONTRACTOR AGREEMENT

Effective Date: September 7, 2026

This Independent Contractor Agreement (the "**Agreement**") is entered into between **Hansel Eleven Incorporated**, an Ontario corporation represented by its Director, Deepak Saibaba (the "**Company**"), and **Ji Won Jung** (the "**Contractor**"). Together, they are the "**Parties**."

1. Scope of Services and Term

1.1 Engagement

The Company engages the Contractor to provide research and operations support services. For purposes of this engagement, the role may be described as **Researcher & Operations Support, Independent Contractor**. Services may include business and market research, documentation, operational coordination, data organization, content support, and other mutually agreed project deliverables.

1.2 Term

The Agreement begins on September 7, 2026 and continues through December 21, 2026, unless terminated earlier under Section 7.

1.3 Deliverables and Delays

The Parties may agree on priorities, deliverables, and reasonable target dates through written electronic communication. Where a deliverable is materially delayed because the Contractor is awaiting Company information, access, materials, feedback, or approval, the corresponding timeline will be reasonably adjusted.

2. Independent Contractor Relationship

2.1 Status

The Parties intend that the Contractor perform the Services as an independent contractor and not as an employee, agent, partner, or joint venturer of the Company. Nothing in this Agreement creates an employer-employee relationship.

2.2 Control of Work

Subject to agreed outcomes and deadlines, the Contractor will determine the manner, means, location, and timing of performing the Services. The Contractor may provide services to others, provided this does not create a conflict of interest, interfere with this Agreement, or disclose Company Confidential Information.

2.3 Tools and Equipment

The Contractor will ordinarily provide their own laptop, software, internet connection, workspace, and other tools required to perform the Services.

2.4 No Authority

The Contractor may not bind the Company, incur liabilities in its name, or make financial commitments on its behalf without prior written authorization.

2.5 Taxes

The Company will not withhold CPP contributions, EI premiums, or income taxes. The Contractor is responsible for determining and fulfilling applicable tax, registration, and reporting obligations.

3. Compensation, Hours, and Invoicing

3.1 Rate

The Company will pay the Contractor **\$19.00 CAD per hour** for authorized Services performed under this Agreement.

3.2 Weekly Hours

The engagement may involve **up to ten (10) billable hours per week**. This is a maximum, not a guaranteed minimum. The Contractor is not required or authorized to exceed this cap unless additional hours are requested or approved in writing before being worked.

3.3 Additional Hours

Pre-approved additional hours will be compensated at the same hourly rate unless the Parties agree otherwise in writing.

3.4 Invoicing

The Contractor will submit a weekly invoice identifying hours worked, related activities or deliverables, and a brief progress summary. Valid and undisputed invoices will be paid within seven (7) business days of receipt by corporate e-Transfer, bank transfer, or another agreed method.

3.5 Invoice Questions

The Company will notify the Contractor within five (5) business days if it identifies an invoice issue. Any undisputed amount remains payable within the original seven-business-day period.

3.6 No Benefits

The Contractor will not participate in Company employee benefit programs and is not entitled under this Agreement to bonuses, health benefits, pension contributions, vacation pay, holiday pay, or other employee benefits, except to the extent otherwise required by applicable law.

4. Expenses

4.1 Ordinary Expenses

The Contractor is responsible for ordinary business expenses, including normal equipment, internet, workspace, and ordinary software.

4.2 Approved Project Expenses

A project-specific third-party expense requested by the Company must be approved in writing before it is incurred. The Company will reimburse properly approved expenses upon receipt of reasonable supporting documentation.

5. Intellectual Property

5.1 Work Product

All research, plans, reports, analyses, documents, content, strategies, data compilations, and other materials created specifically for the Company under this Agreement are the **"Work Product."** Upon payment of amounts properly due for the applicable Work Product, all right, title, and interest in it will belong exclusively to the Company.

5.2 Assignment

The Contractor assigns to the Company all worldwide intellectual property rights in the Work Product and, to the extent permitted by law, waives moral rights in it.

5.3 Background Materials

Tools, templates, methodologies, processes, general know-how, and materials owned or independently developed by the Contractor outside this engagement remain the Contractor's property.

5.4 Licence

If Contractor background materials are incorporated into Work Product, the Contractor grants the Company a perpetual, worldwide, non-exclusive, royalty-free licence to use, reproduce, modify, and distribute those materials as part of, or in connection with, the applicable Work Product.

6. Confidentiality

6.1 Obligation

The Contractor will keep confidential all non-public business, financial, customer, marketing, operational, technical, and strategic information disclosed in connection with the engagement, and use it only to perform the Services.

6.2 Exceptions

Confidentiality does not apply to information that the Contractor can reasonably demonstrate was publicly available without breach, lawfully known before disclosure, independently developed without Company Confidential Information, lawfully received without restriction, or required to be disclosed by law.

6.3 Professional Advisers

The Contractor may disclose Confidential Information to a lawyer, accountant, or other professional adviser where reasonably necessary for advice, provided the adviser is subject to appropriate confidentiality obligations.

7. Termination

7.1 Convenience

Either Party may terminate this Agreement without cause or penalty by providing **seven (7) calendar days' written notice** to the other Party.

7.2 Payment

The Company will pay the Contractor for all authorized hours actually worked up to the effective date of termination and properly approved reimbursable expenses. The final invoice is subject to the same review and seven-business-day payment provisions in Section 3.

7.3 Survival

Confidentiality, intellectual property, and accrued payment obligations survive termination.

8. Electronic Communications and Notices

8.1 Written Communications

Where this Agreement requires approval or agreement in writing, email, text message, or another written electronic communication used by the Parties is sufficient.

8.2 Termination Notice

Formal termination notice under Section 7 must be provided by email to the address designated by each Party.

9. Governing Law

9.1 Ontario Law

This Agreement is governed by the laws of the Province of Ontario and the federal laws of Canada applicable in Ontario.

10. General Terms

10.1 Entire Agreement

This Agreement constitutes the entire agreement between the Parties concerning the Services and supersedes prior discussions or understandings relating to them.

10.2 Amendments

Any amendment must be agreed to in writing by both Parties. Electronic written agreement is sufficient.

10.3 Severability

If any provision is invalid or unenforceable, the remaining provisions continue in full force and effect.

10.4 Electronic Signatures and Counterparts

This Agreement may be executed electronically and in counterparts, each of which is deemed an original and all of which together form one agreement.

10.5 No Waiver

Failure to enforce a provision on one occasion is not a waiver of that provision or the right to enforce it later.

SIGNATURES

The Parties confirm that they have read, understood, and agreed to this Independent Contractor Agreement.
